COMMERCIAL PHOTOGRAPHERS

The Livermore Area Recreation and Park District requires commercial photographers to have a permit when taking photographs within any District facility or parkland. A commercial photographer is defined as any individual who will take video, film, photography, or other capture of image, whether moving or still, with the objective to sell, make profit from, or barter, including but not limited to documentaries, commercials, television series and movies, motion picture, advertising, public service announcements, editorial, stock, portraits, etc. Permits will be issued to individual commercial photographers. Businesses will be required to purchase a Sycamore Grove Photography permit for each individual commercial photographer onsite; one permit does not encompass an entire business or multiple commercial photographers.

GENERAL PARK PHOTOGRAPHY RULES AND REGULATIONS

I certify that I, the applicant reserving with Livermore Area Recreation and Park District, am at least 18 years of age. I am responsible for adhering to all the General Park Photography Rules and Regulations. Failure to comply with the District's General Park Photography Rules and Regulations will result in my permit being forfeit and cancelled, a refund will not be issued by the District, and I may incur additional citation fines. The General Park Photography Rules and Regulations are attached to this agreement for my review and understanding.

The following requirements include, but are not limited to, the following:

1. Applications will be processed on a first come, first serve basis during business hours of Monday-Friday from 9:00am to 5:00pm. We require a minimum of 48 business hours for processing; applications, submitted on a Friday may not be approved. The \$50 fee is due at the time of submitting your application; if the fee is not received with the application, and/or there is a household balance on your account, new applications will not be approved, and a permit will not be issued.
2. Permits are valid for the entire day during General Park operation hours of 7:00am to sunset (or other hours as posted). Applicants will be required to always have their permit on them during the use of their permit.
3. The applicant will always be held responsible for their group's conduct. The applicant and/or their group are not permitted to sit, stand, or swing on park fences or railings, and climbing of any trees is prohibited.
4. The District is not responsible for any lost or stolen items; please lock your vehicles and do not leave any items within the park unattended.
5. Vehicles are required to stay within designated parking areas, no driving into the park for any reason.
6. A General Park Photography Permit does not grant authority to conduct business with the City of Livermore. Applicants will be required to obtain a business license through the City of Livermore if needed.
7. General Park maybe closed at any time, with or without notice. District staff will make every effort to contact the applicant ahead of time of any park closures that may affect your permit date. If a closure occurs on behalf of the District, the Applicant will be offered an alternate date, and/or receive a full refund.
8. Photography props that are not naturally found within the park are not permitted. Applicants may use a tripod, non-camera mounted external lighting (strobe or flash), light reflectors, breeze shields, soft boxes, and umbrellas.
9. Photographers are not permitted to interfere or impact normal park operations and programs, and/or public use.
10. The applicant and/or their group are not permitted to block any trail, walkway, roadway, driveway, or parking lot.
11. The applicant and/or their group is not permitted to make any alterations to the park, including but not limited to, moving any picnic or park furniture, rocks, logs, vegetation, flowers, grasses, shrubs, trees, etc.
12. The applicant will be held responsible for any damages that occur during their designated park use. Additional fees will be billed to the applicant for the cost associated with the damage to repair, replace, or cleanup, and a hold will be put on the applicant's household account until all damage fees are paid in full.

I understand that failure to comply with this application may lead to the forfeit of my application fee and cancellation of my permit. I have read and understand the General Park Photography Rules and Regulations set forth by the Livermore Area Recreation and Park District.
