

Livermore Area Recreation and Park District

Staff Report

TO: Chair Pierpont and Board of Directors

FROM: Mathew Fuzie, General Manager

PREPARED BY: Jeffrey Schneider, Administrative Services Manager
Julie Dreher, Finance Officer

DATE: June 30, 2021

SUBJECT: Resolution establishing the Fiscal Year 2021–22 Annual Appropriations Limit

RECOMMENDATION: That the Board of Directors approve Resolution No. ____, establishing the FY 21-22 Annual Appropriations Limit at \$25,417,558.

BACKGROUND: On November 6, 1979, California voters approved Proposition 4, commonly known as the Gann Spending Limitation Initiative, establishing Article XIII B of the California Constitution. This proposition mandates an appropriations (spending) limit on the amount of tax proceeds that State and most local government jurisdictions may appropriate within a fiscal year. Charges for services, fees, grants, loans, donations and other non-tax proceeds are excluded. The Appropriations Limit for any year is the Appropriations Limit from the previous fiscal year adjusted for inflation and population growth as provided by State Department of Finance. Notice of Board of Directors meeting to review and approve the new Appropriations Limit is required to be posted publicly at least 15 days prior to Board meeting. Said notice was published in the Valley Times newspaper on June 9, 2021.

Attached are the Annual Appropriations Limit Calculation worksheet (Attachment A) and the Department of Finance Price and Population Information (Attachment B) used to calculate the limit. Our auditor, James Marta & Company, reviewed the annual adjustment factors stating our Appropriations Limit was calculated correctly (Attachment C). They recomputed our calculations and agreed with the Per Capita Income and County Population factors.

The FY 21-22 Appropriations Limit is \$25,417,558. This is an increase of \$1,413,502 over FY 20-21 Appropriations Limit of \$24,004,056. The approved, Final FY 21-22 budget includes \$13,518,092 in tax proceeds, which is \$11,899,466 less than the appropriation limit of \$25,417,558.

Staff recommends approval.

Ratio of Change	1.0411	1.0589

FY 20/21 Appropriation Limit	\$24,004,056	x	1.0589
New Appropriation Limit			\$25,417,558 FY 21/22 Limit
			\$1,413,502 Annual Increase

May 2021

Dear Fiscal Officer:

Subject: Price Factor and Population Information

Appropriations Limit

California Revenue and Taxation Code section 2227 requires the Department of Finance (Finance) to transmit an estimate of the percentage change in population to local governments. Each local jurisdiction must use their percentage change in population factor for January 1, 2021, in conjunction with a change in the cost of living, or price factor, to calculate their appropriations limit for fiscal year 2021-22. Attachment A provides the change in California's per capita personal income and an example for utilizing the price factor and population percentage change factor to calculate the 2021-22 appropriations limit. Attachment B provides the city and unincorporated county population percentage change. Attachment C provides the population percentage change for counties and their summed incorporated areas. The population percentage change data excludes federal and state institutionalized populations and military populations.

Population Percent Change for Special Districts

Some special districts must establish an annual appropriations limit. California Revenue and Taxation Code section 2228 provides additional information regarding the appropriations limit. Article XIII B, section 9(C) of the California Constitution exempts certain special districts from the appropriations limit calculation mandate. The code section and the California Constitution can be accessed at the following website: <http://leginfo.legislature.ca.gov/faces/codes.xhtml>.

Special districts required by law to calculate their appropriations limit must present the calculation as part of their annual audit. Any questions special districts have on this requirement should be directed to their county, district legal counsel, or the law itself. No state agency reviews the local appropriations limits.

Population Certification

The population certification program applies only to cities and counties. California Revenue and Taxation Code section 11005.6 mandates Finance to automatically certify any population estimate that exceeds the current certified population with the State Controller's Office. **Finance will certify the higher estimate to the State Controller by June 1, 2021.**

Please Note: The prior year's city population estimates may be revised. The per capita personal income change is based on historical data. Given the stay-at-home orders due to COVID-19, growth in the coming years may be substantially lower than recent trends.

If you have any questions regarding this data, please contact the Demographic Research Unit at (916) 323-4086.

- A. **Price Factor:** Article XIII B specifies that local jurisdictions select their cost of living factor to compute their appropriation limit by a vote of their governing body. The cost of living factor provided here is per capita personal income. If the percentage change in per capita personal income is selected, the percentage change to be used in setting the fiscal year 2021-22 appropriation limit is:

Per Capita Personal Income

Fiscal Year (FY)	Percentage change over prior year
2021-22	5.73

- B. Following is an example using sample population change and the change in California per capita personal income as growth factors in computing a 2021-22 appropriation limit.

2021-22:

Per Capita Cost of Living Change = 5.73 percent
 Population Change = -0.46 percent

Per Capita Cost of Living converted to a ratio: $\frac{5.73 + 100}{100} = 1.0573$

Population converted to a ratio: $\frac{-0.46 + 100}{100} = 0.9954$

Calculation of factor for FY 2021-22: $1.0573 \times 0.9954 = 1.0524$

Fiscal Year 2021-22

Report on Appropriations Limit Calculation

Board of Directors
Livermore Area Recreation and Park District
Livermore, California

We have performed the procedures enumerated below solely to assist the Livermore Area Recreation and Park District in the calculation of the appropriations limit for the Fiscal Year 2021-22 in order to meet the requirements of Section 1.5 of Article XIII B of the California Constitution. This engagement was conducted at the request of management of the Livermore Area Recreation and Park District. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Procedures and Results

1. We agreed the prior year appropriations limit of \$24,004,056 used in the accompanying worksheets to the Fiscal Year 2020-21 appropriations limit calculation.
2. We recalculated the population percentage change factor of 1.0037 used in the accompanying worksheets based on the Annual Percent Change in Population Minus Exclusions for Alameda County.
3. We recalculated the growth factor of 1.0589 used in the accompanying worksheets.
4. We recalculated the Fiscal Year 2020-21 appropriations limit of \$25,417,558 in the accompanying worksheets.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion, on the specified elements, accounts, or items. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management and the Board of Livermore Area Recreation and Park District and is not intended to be and should not be used by anyone other than the specified party.
